Time of Return

Bikers Responsibility

It shall be the responsibility of the Borrower to comply with the following:

1. It shall be the responsibility of the Biker to comply with the proper traffic laws at all times.
2. Biker is not allowed to replace or substitute and parts or portions of the bicycle.
3. Biker is required to maintain proper responsibility in the use of the bicycle.
4. Biker shall assume for any and all liabilities, damage, loss of property, or injury related to the use of the bicycle.
5. Biker is not allowed to sublease the bicycle.

Assumption of Risk

I hereby declare that I understand and accept that riding a bike has high risk of exposure to many hazards and accidents which may lead to damage to property, physical injury, or death. I further declare that I am capable in participating in the physical activity of riding a bicycle. I hereby assume all risk of physical injury or loss of life that may result from my activity in riding a bicycle.

Release Waiver

I hereby release, quitclaim, and forever discharge the Company and its employees from any and all liability or claims for injury, loss or damaged property, or death resulting in my activity of riding a bicycle borrowed by the St. Andrews Heritage Centre.

I have fully and carefully read this agreement and have been afforded the opportunity to ask for clarifications with regard to any information that is unclear to me and by which was answered to my satisfaction. I execute this agreement freely and voluntarily with full knowledge and understanding the consequences that might incur.
